

2015 EACPT-CHIESI PRIZES TO THE MOST OUTSTANDING ORAL COMMUNICATIONS OF THE 12TH EACPT CONGRESS

The European Association for Clinical Pharmacology and Therapeutics (EACPT), with the Sponsorship of Chiesi España S.A., will be awarding prizes to the best Oral Communications. These prizes will be awarded during the 12th Congress of the EACPT, which will take place in Madrid, 27th – 30th of June 2015.

Three one-thousand Euros (1,000€) prizes will be awarded to the most outstanding Oral Communications concerning any of the areas of the Clinical Pharmacology specialty. The aim of these Prizes is to recognize the quality of the research in the field of Clinical Pharmacology and to promote their broadcasting to the scientific community.

RULES

1. Based on the importance and contribution to Clinical Pharmacology, originality, scientific quality, clarity and relevance, the Scientific Committee selected a number of abstracts which will be presented as Oral Communications during the Congress. These Oral Communications will be eligible for the Prizes.
2. In each Oral Communications Session, all attendees will be able to vote for the most outstanding Oral Communication being presented. Specific information on the voting procedure can be found on site at the Congress Venue.
3. Prizes will be awarded to the most voted Oral Communications.
4. All updated information on the Congress, nominations requirements and other relevant information can be checked at any time on the meeting web page: www.eacpt2015.org
